BLACK SEA JOURNAL OF AVIATION AND AEROSPACE
(BSJ AVI AER)

Black Sea Journal of Aviation and Aerospace (BSJ Avi Aer) is an international, peer-reviewed journal published continuously (online) in a year. BSJ Avi Aer publishes original research, innovative methodologies, and interdisciplinary studies in the fields of aviation and aerospace. The journal offers a global platform for researchers, scientists, engineers, and practitioners to address contemporary and emerging challenges in aviation and aerospace, and to develop sustainable solutions for these fields. BSJ Avi Aer is published electronically, and all articles are provided to the readers free of charge.
